

Albertus Magnus College

A Catholic College in the Dominican Tradition

Annual Report 2013–2014

Board of Trustees

The Mission of Albertus Magnus College

STATEMENT OF MISSION

The mission of Albertus Magnus College is to provide men and women with an education that promotes the search for truth in all its dimensions and is practical in its application. Founded by the Dominican Sisters of Peace, Albertus Magnus College, faithful to its Catholic heritage and the Judeo-Christian tradition, remains dedicated to providing an opportunity for learning which responds to the academic needs and ethical challenges of its students and of society.

This mission of Albertus Magnus College derives from the intellectual tradition of the Dominican Order whose essential charism is the search for truth (Veritas). Reflective of the dedication and commitment to service of our founder and sponsor, we at Albertus assume responsibility for the fulfillment of our particular service as an academic community.

Dear Alumni and Friends of Albertus,

Last year in my report to you, I shared information about an exciting process taking place here at Albertus Magnus College. At the time, we were engaged in developing strategic plan recommendations that would guide this institution, as it approaches the 90th anniversary of its founding in 1925, for many years to come. This endeavor went beyond the opinions of just a few participants; it was, indeed, a truly collaborative effort to sustain and build upon the liberal arts foundation and the Catholic, Dominican roots of Albertus.

We were committed to learning from those who knew us well, and from some who didn't. In all, some 600 persons—alumni, faculty, students, staff, trustees, community leaders, prospective students and the Dominican Sisters who continue to sponsor Albertus—gave of their time and told us, always candidly, how they thought the viability and vitality of the College could be ensured. They offered observations, out-of-the-box thinking and creative recommendations for ways in which Albertus could flourish in the future.

From these sessions, and from rigorous discussion among our Administrative Council, faculty and staff, Albertus 2020: A Strategic Path for the 21st Century evolved. This plan focuses on five initiatives that we believe will expand our horizons, while maintaining our core Dominican values of study, prayer, community and service. The Board of Trustees approved Albertus 2020 in June of this year.

The five initiatives are: commit to the development of in-demand and high-impact academic programs; implement innovative and distinctive delivery of academic services; enhance our capacity for technological innovation and human creativity; promote strong athletic programs; and celebrate our inclusive and diverse community. I hope you will take a few minutes to read more about these initiatives, and how they will be carried out,

in the pages of *From the Hill*, which surround this Annual Report. The full version of Albertus 2020 can be found online at csp.albertus.edu.

At the heart of any college community is its students. We are committed to providing Albertus students with an education that seeks the truth in all its dimensions and is practical in its application. To do this, we must practice responsible financial stewardship and develop the resources to bring these initiatives to life.

The journey has begun, and I thank you, on behalf of the College, for your support of our mission and Albertus 2020: A Strategic Path for the 21st Century.

Faithfully yours,

As contributors to Albertus, this group of alumni and friends is of great importance. Many foundations and grant-giving organizations ask about the percentage of alumni and friends who support the College. For your participation in this year's annual fund, we are truly grateful.
